

**Cleveland Clinic**

# **Advanced Certificate Course in Diabetes 2019**

**24 - 25 August, 2019 | Pullman Hotel, Aerocity, New Delhi India**

## WELCOME MESSAGE

Dear Friends,

You will be pleased to know that **CLEVELAND CLINIC ADVANCED CERTIFICATE COURSE IN DIABETES (CCACCD)** is completing 10 years in 2019. It is indeed a matter of great satisfaction that CCACCD has been instrumental in disseminating latest information and enhancing the clinical acumen of participants in the field of diabetes. All the CCACCD programs have been highly appreciated and the participation has been growing every year. CCACCD is attended by more than 1200 physicians, diabetes specialists and endocrinologists from across the country every year and this year we expect the numbers to touch 1500.

It gives me great pleasure to invite you to the 10th edition of “**CLEVELAND CLINIC ADVANCED CERTIFICATE COURSE IN DIABETES (CCACCD 2019)**”, to be held on **24-25 August, 2019 at Pullman Convention Centre, Pullman and Novotel Hotels, Aerocity, New Delhi**. As every year, the course is being organized by Dr. Makkar’s Diabetes and Obesity Centre, New Delhi, in collaboration with Cleveland Clinic, Ohio, U.S.A.

Dr Makkar’s Diabetes and Obesity Centre has been actively involved in promoting education in the field of diabetes and obesity by regularly offering structured education programs for physicians and family practitioners for almost two decades. Cleveland Clinic, Ohio, USA, is one of the world’s largest and highly acknowledged centre of excellence for providing diabetes care. Academic support and certification from Cleveland Clinic Department of Endocrinology for this program is certainly a matter of pride and endorses our efforts in the field of diabetes and obesity education.

Once again, **CLEVELAND CLINIC ADVANCED COURSE IN DIABETES 2019 (CCACCD 2019)** will focus on recent developments in understanding of diabetes and their clinical implications in a highly interactive format. State of the art lectures, debates, updates from latest trials, real-life case study templates and workshops delivered by academic leaders in the field of diabetes will create ample opportunities to learn and discuss the application of current concepts of diabetes management to clinical practice. The course aims at enhancing knowledge and clinical skills of the participating physicians, thereby empowering them to deliver world-class diabetes care in clinical practice. All the participants will also be getting a certificate of participation from Cleveland Clinic, Ohio.

As always, we are sure that this program will add great value to your clinical practice and you will find it worth the time and effort. We look forward to welcome you to this highly educative and interactive scientific feast.

**Dr. B. M. Makkar**  
Organising secretary &  
Course Director, India
